## What we do

### How does NorthRidge Community Credit Union protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

### How does NorthRidge Community Credit Union collect my personal information?

We collect your personal information, for example, when you

- open an account or apply for a loan
- use your credit or debit card or pay your bills
- make deposits to or withdrawals from your accounts

We also collect your personal information from others, including credit bureaus or other companies.

### Why can't I limit all sharing?

Federal law only gives you the right to limit information sharing as follows:

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for non affiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

## Definitions

### Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- Our affiliates include financial companies such as CU Financial Services of Minnesota, Inc.

### Non affiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- NorthRidge Community Credit Union does not share with non affiliates so they can market to you.

### Joint marketing

A formal agreement between NorthRidge Community Credit Union and a nonaffiliated financial company where we jointly market financial products or services to you.

- Our joint marketing partners include financial service providers.
