Switch Kit

We make switching your checking account easy!

Everything you need to move your checking to NorthRidge is here - without the hassle. Just follow these easy steps and let us know how else we can help you along the way!

1

Move your direct deposits to NorthRidge Community Credit Union by filling out the Direct Deposit Change Form, page 3 of this document. Print, fill it out, and give it to your employer.

2

Switch your automatic payments. If you currently have automatic payments scheduled to come out of your checking account OR off your debit card tied to your checking account, you will want these switched to your new account at NorthRidge. Use the Automatic Payment Change Form on page 4 for any automatic payments that may require written documentation. Simply complete the form and mail a copy to each company you need. Most payees accept this change online, which makes it even easier. Don't forget about those that only happen a couple times a year; like property taxes or insurance payments. There is a checklist on page 2 to help you!

3

Once all your checks have cleared, and auto-payments are canceled or moved from your current account, you will need to close that account. You can do this by notifying your current financial institution to close your checking account with the Checking Account Closure Form on page 5 of this kit. Print, fill it out, and mail to your current financial institution.

NorthRidge Community Credit Union's Evergreen Checking includes:

- Free Visa® Debit Card
- Free Online and Mobile Banking
- Free Bill Pay
- Cash rewards when you use your debit card and enroll for E-Statements!
- Friendly and knowledgeable staff to help you!
